

EMAIL TO STUDENT CARES ACT GRANT RECIPIENTS

RE: Emergency Funding for Students

Hello Student,

You have been identified as a student of Missouri Southern State University eligible for an emergency student grant due to the COVID-19 global pandemic. You will receive a \$650 grant. This grant will not need to be repaid. This email explains this funding opportunity.

The Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress and signed into law to provide economic relief from COVID-19. One component of the Federal CARES Act establishes the Higher Education Emergency Relief (“HEERF”) fund, which provides funds to institutions of higher education, like MSSU, for expenses related to the disruption of campus operations caused by the COVID-19 global pandemic. Notably, a portion of these funds are intended to be distributed directly to eligible students.

MSSU applied and was approved for \$4,756,273. Fifty percent of these funds are for emergency grants to students for expenses related to the disruption of campus operations due to the pandemic, including expenses such as food, housing, course materials, technology, health care, and childcare. For more information about MSSU’s plan for this grant, click [here](#).

Students eligible for grants under the Federal CARES Act are those who:

- (1) were **not** enrolled in an exclusively online program prior to March 13, 2020,
- (2) experienced a disruption in campus operations due to COVID-19 pandemic, and
- (3) are eligible for federal student aid and comply with specific federal requirements.

This grant will be paid to you by the MSSU Bursar via electronic refund or a paper check by mail.
